

A Letter from the Directors

Corey & Justin

Dear Wico Campers, Staff, Parents and Alumnae,
 Greetings from Wico! December has been a great month for us—it's been filled with new camper visits, our New York area reunion and lots of communication with staff! Speaking of the reunion, it was amazing! Returning campers bowled, ate, dressed up for our photo booth and reminisced. Fun was had by all! A big thanks to these amazing staff members for their help with the event: **Hayley Barnes, Susanna Casey, Alyssa Costa, Priscilla Griffin, Melanie Hawthorne, Hilary Judd,**

Laura McBride, Kathryn "KMorgs" Morgan, Haddy St. Clair, Maddie Smith, Bridget & Lisa Stibbard, Audrey Thompson, Elanna Tolz & Kate Topley. This dedicated crew travelled to New York via car, train & plane and volunteered to spend an amazing day with us. We cannot thank them enough—the event would not have been the same without them!

In other reunion news, our Florida gathering is coming up quickly. We're excited that so many of you can join us and look forward to seeing you on Saturday, January 26th! We also look forward to our Los Angeles Area Reunion on Saturday, February 9th. Please see the back cover of the newsletter for times and locations for these awesome events!

As is the tradition at this time of year, we focus on being thankful. The notion of appreciation is one that we encourage daily at Wico. We talk about being the best version of ourselves—we work on developing empathy, on direct communication and meaningful apologies. We stress kindness and acceptance, we equate effort with excellence as opposed to with winning, we challenge our campers to be empathic and we find that they rise to the occasion.

As we wrap up 2018 and look towards 2019, we are thankful for all of you! We wish you a peaceful and joyful 2019 and look forward to seeing you in New Hampshire this summer!

Lots of Wico Love,

And Introducing... Hannah Christmann!

We are excited to expand Wico's year-round team with the addition of Hannah Christmann! Hannah works closely with Carly on recruiting, hiring and training Wico's 175 seasonal staff members. Hannah was a counselor in 2013—she worked with Totems and on the Extreme Team/Challenge Course. Hannah received her Bachelor's Degree in Outdoor Recreation and Education from Ohio University. Over the last few years, Hannah has worked as a Head Counselor at another camp and, during the school year, has worked with special needs students in a middle school in her hometown of Cincinnati, OH! When not hiring staff, Hannah spends her time with her newly adopted cat and is teaching her grandmother to drive!

Want to reach out to Hannah? You may reach her directly at: Hannah@campwicosuta.com. Thank you for helping us welcome Hannah back to Wico!

WICO CAMP SISTER PROGRAM 2019

We're about to do our first match up!

If you are new to Wico, expect to hear from us with the name and contact information of your big sister by early February. Prospective big sisters, we will notify you of your little's contact information as we match you up. Please reach out to your little sister as soon as you hear from us. Thanks, in advance, for helping a first-time camper feel welcome at Wico!

Big/Little Timeline:

January: Big/Little Pairs Assigned

New campers are paired with returning campers. We consider common interests, personalities, ages, and other important information in order to create the best Big/Little pairs possible.

January (end of the month): Big/Littles Letters Mailed

You get your Big's/Little's mailing address, phone number and email address if we have it. We also include an "All About Me" sheet to be filled out and mailed to your Big/Little.

February: 1st Contact

Big sisters reach out to their little sisters by phone call, mail or email.

March-June

Bigs and Littles communicate as much as they would like. Little sisters can ask questions about anything having to do with camp. Big sisters are a great resource!

At Camp: Big/Little Bonding

We hold an event during the first week of camp. Bigs and Littles get to know each other while working on a fun project/gift for each other. In the past, we've made t-shirts, picture frames, pillow cases and other fun things! During the summer, Bigs and Littles can see each other at rest hour, selective, bedtime, and other non-scheduled times of the day!

SECOND SESSION RETURNING CAMPERS (Coo and older)...

We want YOU to be a big sister! If you have already been a big sister in past summers, you can be one again in 2019. CAMPERS MUST SIGN UP EACH YEAR THEY ARE INTERESTED. Please log into CampMinder and fill out the Big Sister Volunteer Form by January 15, 2019, so that we can add you to the 2019 Big Sister list—priority is given to those who signed up and were not matched up in 2018. We will do our best to match up as many Bigs as possible!

** Note for First Session Returning Campers — Thank you to those who already volunteered! We had a lot of interest and are all set with Big Sisters for now. We may need a few more in the New Year and will let you know.*

DEEP THOUGHTS *with Carly*

Hey Wico, Hey What?!

What a great couple of months it has been! The holidays, school vacations and we can't forget the amazing time we had at the New York Area Reunion! It is always great seeing so many Wico campers and staff and is such a fun event!

With one year ending and another beginning, I wanted to reflect on a goal I set for myself several years ago. It wasn't an original idea, but someone once told me that they try at least one new thing every year. Something about that stuck with me. It seemed pretty easy and something I would enjoy. How hard could it be? There are a lot of days in a year, and there are lots of things I have to learn and have not tried.

In 2018, I challenged myself to two new things. I ran my first marathon and learned how to knit. While I might not be the best knitter, I learned a new skill, met some interesting people and have a few new hats! Training for and finishing a marathon challenged me physically and mentally. I am proud I was able to do it and thankful for the support system I have.

Do you think you are up for the challenge of trying something new?

It could be getting on a plane for the first time, trying a new activity after school, starting a new friendship, even trying new foods. Try to think about the new people you can meet, the skills you can build, the adventure you might have, the feeling of accomplishment when it's done! Trying new things opens lots of doors. Doing things that scare us and challenge us, actually make us better! Sometimes the things that are a little hard teach us the most. I bet, that for a lot of you, your new thing will be going to camp for the first time... this summer!

Feel free to shoot me an email (carly@campwicosuta.com), and let me know what you are going to try this year! I look forward to hearing from you all!

From the lakes, from the hills, from the sky, Carly

WE WELCOME YOU TO WICO CAMP

WE'RE EXCITED TO WELCOME THE FOLLOWING NEW CAMPERS FOR SUMMER 2019...

Note: We include each new camper in one edition of the Wicosutan—the edition published closest to their enrollment date. We often include their home town, so therefore include only the first initial of their last name in order to protect their privacy.

A big Wico Welcome to the following new campers:

Joking Around

WITH JESS

JESS

I had so much fun seeing many of you at our New York Area bowling reunion this past month! It is always fun to see our campers outside of the camp setting and catch up a few months post-summer. For those of you who couldn't make it or who are new to camp, I look forward to meeting you in June or July! I may also see some of you at our California reunion in Sunny Los Angeles in February, so be on the lookout for Wico on the West Coast!

As we roll into the New Year, my camp countdown seems to be going quicker than ever. While I love the snow, I am mentally ready for Summer 2019! However, while it's cold here in New York, I'll try to enjoy some fun winter activities. Maybe I'll do the classics: ice skating, sledding, and building a snowman. What are your favorite things to do in the winter months?

Do you have any fun winter traditions?

You can let me know by shooting me an email: jess@campwicosuta.com.

Time for some more Wico Trivia!

In anticipation of our 99th Summer and all the history Wico girls are part of, I thought it would be fun to play some Wico Trivia! Each Wicosutan, I'll ask five trivia questions related to Wicosuta. Can you answer them all?

- 1 Which bunk was the first bunk on camp?
- 2 Our beloved lake, now named Newfound Lake, was once known by another name. What was the original name of the lake?
- 3 Though we are all very familiar with the current dining hall, it has only been around for part of Wico's nearly 100 year history. The original dining hall was actually located where?
- 4 The two color war teams not only have colors (blue and green), but also names. What are the names of the two teams?
- 5 Corey and Justin will be celebrating their ____ summer at camp this summer!

If you have any good Wico trivia questions, let me know by sending me an email!

Peace, Love, & Wico, Jess

ANSWERS: (1) What we now know as Bunk 4 was the original bunk at Wico! (2) Pasquaney (3) In place of the current staff lounge. The cooking kitchen used to be the kitchen for all of camp! (4) Mohawk and Tashmoos (5) 14th
