Winter 2020

A Letter from the Directors

Corey & Justin

Greetings from Wico! There's been lots of excitement here in the last couple of months. Our December NY Area Reunion was a highlight. January has been filled with new camper visits and lots of communication with returning and first-time Wico staff! Speaking of staff, we want to thank these amazing staff members for their help with our NY Reunion: **India Carruthers, Ola Cauble, Kansas Ewing, Melanie Hawthorne, Aly Hetherington, Hilary Judd, Hannah Keating-Ehlers, Kathryn "KMorgs" Morgan, Maddie Smith,**

Audrey Thompson, Joshua Thompson and Elanna Tolz. This dedicated crew travelled to New York via car, train & plane and volunteered to spend an amazing day with us. We cannot thank them enough—the event would not have been the same without them!

The NY Reunion was a huge success! Over 130 girls bowled, ate pizza, sang songs, cheered and reconnected! We loved seeing all of your smiles and shared hugs! Take a look inside this edition for photos of the event. It was great seeing many of you at our reunions in both Los Angeles and San Francisco. Florida folks, keep an eye out for details about our Florida reunion in April 2020!

As is the tradition at this time of year, we focus on being thankful. The notion of appreciation is one that we encourage daily at Wico. We talk about being the best version of ourselves—we work on developing empathy, on direct communication and meaningful apologies. We stress kindness and acceptance, we equate effort with excellence as opposed to with winning, we challenge our campers to be empathic and we find that they rise to the occasion.

As we begin 2020, and look toward our 100th summer, we are thankful for all of you! We hope that everyone has a great year in 2020 and look forward to seeing many of you in New Hampshire this summer!

Lots of Wico Love,

Corey & Justin

WICO CAMP SISTER PROGRAM 2020

We're about to do our first match up!

If you are new to Wico, expect to hear from us with the name and contact information of your big sister by early February. Prospective Big Sisters, we will notify you of your little's contact information as we match you up. Please reach out to your little sister as soon as you hear from us. Thanks, in advance, for helping a first-time camper feel welcome at Wico!

Big/Little Timeline:

January: Big/Little Pairs Assigned

New campers are paired with returning campers. We consider common interests, personalities, ages, and other important information in order to create the best Big/Little pairs possible.

January (end of the month): Big/Littles Letters Mailed

You get your Big's/Little's mailing address, phone number and email address if we have it. We also include an "All About Me" sheet to be filled out and mailed to your Big/Little.

February: 1st Contact

Big sisters reach out to their little sisters by phone call, mail or email.

March-June

Bigs and Littles communicate as much as they would like. Little sisters can ask questions about anything having to do with camp. Big sisters are a great resource!

At Camp: Big/Little Bonding

We hold an event during the first week of camp. Bigs and Littles get to know each other while working on a fun project/gift for each other. In the past, we've made t-shirts, picture frames, pillow cases and other fun things! During the summer, Bigs and Littles can see each other at rest hour, selective, bedtime, and other non-scheduled times of the day!

RETURNING CAMPERS (Coo and older)...

We want YOU to be a Big Sister! If you have already been a big sister in past summers, you can be one again in 2020. CAMPERS MUST SIGN UP EACH YEAR THEY ARE INTERESTED. Please log into CampMinder and fill out the Big Sister Volunteer Form, so that we can add you to the 2020 Big Sister list—priority is given to those who signed up and were not matched up in 2019. We will do our best to match up as many Bigs as possible!

*** Note for First Session Returning Campers — Thank you to those who already volunteered! We had a lot of interest and are all set with Big Sisters for now. We may need a few more in the New Year and will let you know.**

DEEP THOUGHTS *with Carly*

CARLY MELTZER
Associate Director

Hey Wico, Hey What?!

As we closed out 2019 it was fun reconnecting with some of our staff and a lot of our campers at the NY area reunion. We are excited for our upcoming West Coast and Florida meet ups. With the New Year upon us, we couldn't be more excited to be celebrating Wico's 100th summer.

One hundred years is special, and we have dedicated time this winter to plan a celebration to honor Wico's 100 years. We will not only be celebrating at camp; we have kicked off the celebration online through Instagram and Facebook and will be hosting a reunion for our alumnae at the end of the summer.

Did you know a hundred-year anniversary is called a centennial? Countries and organizations use this big anniversary as a time to celebrate and bring people together. Let's take a look at some centennial celebrations from around the world. Maybe they will provide us with some inspiration.

- **Centennial Exhibition in 1876.** Celebrating the 100th anniversary of the signing of the Declaration of Independence. Taking place in Philadelphia, Pennsylvania this was the first official World's Fair in the United States. About 10 million visitors attended (which at the time was about 20% of the population of the U.S).
- **Expo 67 in 1967.** This 1967 International and Universal Exposition was held in Montreal as the main celebration for Canada's 100-year anniversary. With 62 nations participating the event featured art galleries, ballet and theater companies, jazz groups and other cultural attractions.
- **Centenary of Western Australia in 1929.** This celebration was used for the anniversary founding of Perth and Swan River Colony (the first permanent European settlement). There were a lot of events held but one of the most well-known was the Western Australian Centenary Air Race. The Air Race was from Sydney to Perth which is 2,450 miles...wow!

There are a lot of ways to celebrate 100 years, and one thing is clear; it is definitely worth celebrating!

How do you think we should celebrate? Do you have any fun ideas to help us with our centennial celebration? If so, email me carly@campwicosuta.com to share your ideas. Who knows...maybe we will use them this upcoming summer!

From the lakes, from the hills, from the sky, Carly

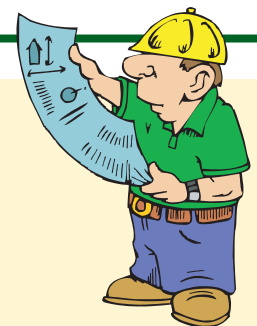

Greetings from Newfound Lake...

IT'S TIME FOR THE BIG REVEAL!

S'more brownies never tasted so good.... get ready, Wico, for a brand new, state of the art, amazing new Cooking Studio to be constructed and ready for Summer 2020! Is your mouth watering yet? If not, imagine 6 separate and complete cooking stations along with an instructor demo area! We are thrilled to be adding this new facility for the ever-popular cooking program and cannot wait to see some of the creations in Summer 2020!

In addition to the cooking studio, we are continuing to update bunk bathrooms. This year Bunks 10 and 6 will get updated bathrooms, fixtures and flooring. These bunks are going to look great!! As previously mentioned, we will continue to update bunk bathrooms until they are all brand new.

Finally, we are excited to be adding some permanent shade to the pool deck. Stay tuned for more details, but we are looking to provide areas where campers and staff can get some relief from the warm New Hampshire sun!

Hannah's Happies

Hey Wicosuta!

2020 is here, and we can now officially refer to Wico's 100th as THIS summer! I've spent some time this winter thinking about what the 100th summer means, and truthfully, I don't exactly know. I feel excited for a reason that I can't quite explain, and I'm sure many of you are feeling it too! Knowing that our second home has been such for so many people before us just feels... special.

This summer I anticipate a huge buzz of excitement that makes its way all over camp. Our bunks, the dining hall, the Old Pine, and beyond will no doubt feel that much more extraordinary. We will get to be together in the Playhouse surrounded by old photographs, Color War memorabilia, bunk plaques, and memories from the past 100 years. We will get to sing the songs sung for many decades before us. We will get to carry on past traditions and create our own as we celebrate this milestone as a community. How cool is that?!

While planning for our upcoming summer, I originally tossed around the idea of collecting 100 Happies. (Happies are a fun tradition at Wico where, before bedtime, the members of a bunk will share the best parts of their day.) I quickly realized I could easily collect 100 Happies every single day! Before I get too far ahead of myself, for now I'll just share a handful.

A Handful of Happies:

"My whole bunk covered our entire faces with paint on the fourth of July!"

"I sewed for the very first time in Visual Arts. I didn't know I would be able to do it, but I made a tote bag!"

"I landed a cartwheel on the (balance) beam for the first time!"

"I finally got my round off back handspring on the floor!"

"We choreographed a bunk-dance during rest hour and performed it at the talent show!"

"I got to give my Little Sis a tour of camp, and she made us matching friendship bracelets!"

"This summer I made a new best friend."

As always, If you have any you would like to submit, please send me an email at hannah@campwicosuta.com. I would love to include them in a future article!

Wico love, Hannah

Joking Around

WITH JESS

Hey Wico,

The year 2020 is upon us! Now that we have flipped the calendar to a new year, we can finally say that camp is now this summer! Not only that, but now the celebration of 100 years officially begins! It was so much fun to see many of you at our winter reunions in New York, Los Angeles, and San Francisco. It is always a fun treat to see campers outside of our camp setting and catch up!

In addition to catching up with campers, Justin and I have been doing a lot of connecting with alumnae in preparation for our 100th summer! While current campers and staff will be celebrating all summer long, our alumnae will get the chance to come back to camp for a weekend in August and remember all of the good times they shared when they were last at Wico!

We recently asked some alumnae the question: What does celebrating 100 summers mean to you? Below are a few of the answers we received.

What does celebraing 100 summers mean to you?

- A chance to connect with the larger community of Wico girls, both past, present, and future!
- A way to celebrate and commemorate my Wico summers!
- A chance to connect with old friends and make new memories!
- Feeling like a kid again.
- Giving Wico the credit for standing through the test of time...a lot has changed in the last 100 years!
- Keeping special traditions alive, and knowing that every Wico girl gets a chance to participate in them.
- Celebrating the place that allows us to be the best version of ourselves.

What does celebrating 100 years of Wicosuta mean to you? Let me know by dropping me an email: jess@campwicosuta.com

Wico love, Jess
