Building Confidence, Competence & Community Since 1920

Winter 2021

## A Letter from the Directors

Corey & Justin

Dear Wico Campers, Staff, Parents and Alumnae,

Greetings from Camp and Happy 2021! The New Year always brings a sense of excitement. This year that sense was more pronounced for many of us. The need to put 2020 behind us was tremendous.

While we write this letter, two weeks into 2021, and continue to process the events that took place in Washington, D.C. last week, we

experience a mixture of feelings: relief knowing that 2020 is over, confidence in our resilience, and humility knowing that, as a country, we have much work to do.

2020 has been a year of challenges, but not without its silver linings. In some ways, 2020 has caused us to focus even more on the positive: the happy accidents, the precious moments spent with loved ones, and the need for gratitude.

One of Wico's silver linings was our first ever Fall Fest held at Breezemont Day Camp in October! We were fortunate to be able to spend a few hours each with a group of First and Second Session campers as we made s'mores, played gaga and volleyball, created tie-dye, masks chains, painted pumpkins and, most importantly, reconnected! It was a wonderful day of community-building! A big thank you to the 2021 Totems who volunteered and helped make this day even more special. Thank you to **Julia B-H, Cami B, Talia D, Sophie D, Morgan H, Jady S, Bianca S, Maya S** and to our terrific staff (a combination of folks from Breezemont, Wico (thank you, **Lillian R**) and CampGroup) for making this day one to remember for both returning and first-time Wico girls! The event was so successful that we are considering making it an annual Wico gathering! We've included a number of photos from the event in this edition.

The New Year brings plans for Summer 2021. We know that being together at Wico will feel, as it always does, wonderful. We look forward to a terrific summer that will, in large part, look very much like a typical summer. As safety is our priority, you may expect some shifts to our program this summer including more outdoor activities, outdoor and/or split dining and the reimagining of some of our large group gatherings and trips. We are currently planning and evaluating all aspects of our summer camp operation. As this planning ramps up, we will keep you informed. To gain more insight into our planning to date go to: <https://www.campwicosuta.com/covid-summer-2021-plans/>. This webpage will be updated throughout the year.

Finally, we want to wish everyone in the extended Wico Community a happy and HEALTHY 2021! We look forward to a wonderful year to come. We are excited to uncover more silver linings together and look forward to seeing you in New Hampshire this summer.

Lots of  
Wico Love,

Corey & Justin

Email fun news about celebrations, activities, school, camp sleepovers, etc. to [corey@campwicosuta.com](mailto:corey@campwicosuta.com). We'll include your news in the next edition of *The Wicosutan*.

**Talia K** attended an intimate celebration for her cousin's recent Bat Mitzvah. One of the other 20 people in the synagogue was **Emmie K**, who is Talia's Wico Big Sister! Emmie and Talia's sister are friends from home. All we can say is that this Camp Sister match was meant to be! We are so glad you were able to meet in person, girls!

**Sophie M** and her family trekked down to Sea Island, GA for December break. On their drive back to New York, they snuck in a socially distanced visit to Washington, DC. Here are Sophie and **Andie K** reconnecting after a long absence. We are so glad that you were able to see each other, girls!

The **Larit Girls** completed a 20-hour drive to Florida in December to reconnect safely with their grandparents. It was a wonderful and much needed reunion. And, of course, nothing can beat the sunshine and warmth of Florida in December! We love your Wico Spirit, girls, and cannot wait to see you in New Hampshire in July!

Thanks to these Wico Girls for showing their Wico Pride! Seeing all of you in your Wico tees makes us that much more excited for Summer 2021!

## WITH JESS

Hey Wico,

As I write this article, I watch snow fall outside my window.

This means we have definitely moved into the winter season! Bring on the hot cocoa bombs, fuzzy mittens, and snow! While summer is my favorite season because we get to be at Wico, winter comes in at a close second (especially since when the calendar turned to 2021, we were that much closer to seeing all of you!)

Although we have had to wait longer than we wanted for the magic of camp, Summer 2021 will be #worththewait! Our countdown grows smaller by the day, and sending out the first batch of our enrollment t-shirts makes the notion of the coming summer even more real! As I think towards the summer, I made a list of a few Wico things I love which I know are worth the wait.

### *A few Wico activities that are worth the wait:*

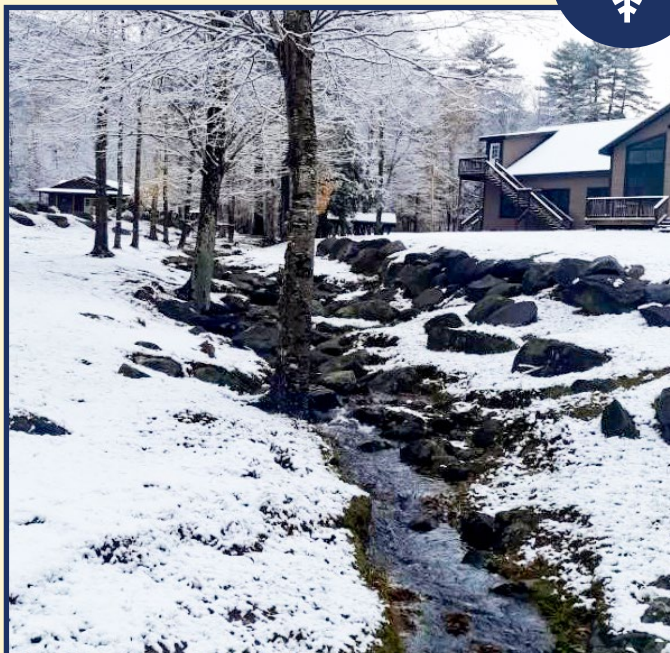

- 1 Campfires under the Old Pine
- 2 Adding a new Pride Bracelet to my collection!
- 3 The refreshing feel of Newfound Lake on a hot summer day
- 4 Fireworks on the 4th of July
- 5 Fun evening activities like Candy Horse Races!
- 6 Making colorful friendship bracelets
- 7 Evening Tooth Calls
- 8 Impromptu dance parties
- 9 Themed music over the loudspeaker
- 10 Seeing all Wico girls have their best summer yet!

What are you most looking forward to for Summer 2021? Let me know by sending an email: [jess@campwicosuta.com](mailto:jess@campwicosuta.com)

**Wednesday, January 20th at 7:00pm ET**

Are you a new Wico parent? We invite you to Zoom with us and other first-time Wico parents on **Wednesday, January 20th at 7PM Eastern Time** to hear more about what to expect between now and camp. We will give a brief presentation and provide plenty of time for your questions to be asked and answered. We will send an email reminder and invitation to register in advance of our "chat". We look forward to seeing you there!

# DEEP THOUGHTS *with Carly*

**CARLY MELTZER**  
Associate Director

## ***Hey Wico, Hey What?!***

2021, here we come! We have been saying it in our office, but Summer 2021 is certainly going to be worth the wait! This past year has looked different and a lot of things did not happen as we had planned them to. We were all challenged in different ways. While there have been challenges, I like to focus on the positive and have been inspired by the resilience, creativity and strength of the larger community that has emerged through all of this.

The list below includes a few examples (really, just a few-it's amazing how many there really are) of creativity and "community" exhibited by people, organizations or businesses to help everyone get through the last 10 months. I am sure each of you can think of a new idea or inspiring story you have heard of.

### ***Some inspiring stories of creativity and community during the last 10 months:***

- **John Krasinski Hosts Some Good News:** It feels like forever ago, but John Krasinski hosted a news show from his home that was all about good news! It was refreshing, fun and what we all needed. One of the highlights was him hosting a virtual prom with the Jonas Brothers and Billie Eilish.
- **Domino's Pizza:** Domino's created a contest in the form of a film festival encouraging people to create homemade videos. The winner receives a year's worth of pizza and could be featured in future commercials!
- **Invisible Hands:** This non-profit in the New York/Tri-State Area has a mission of delivering groceries and other essential items to vulnerable populations. The group is made up of volunteers, which encourages neighbors to help out neighbors!
- **Elisha Nochomovitz:** When the Barcelona Marathon got cancelled, Elisha decided to still run it on his balcony that was about 23 feet long. While it wasn't the streets of Barcelona, 3,000 laps later he accomplished a marathon! There were a lot of stories like Elisha's of people setting out to accomplish goals when their original plans had been changed.
- **Spotify:** A lot of us use Spotify and a lot of us use it for free. We do that because they depend on advertising to keep them going. When that came to a stop, Spotify began creating its own content in the form of original podcasts and celebrity curated playlists. Guess what? It worked!
- **Various Restaurants Make Pivots:** Lots of restaurants have made significant pivots since having to stop or limit the number of indoor diners. Some examples include: hosting cooking and baking classes, creating meal kits for families to take home, and cooking kits that can be shipped nationwide.

Seeing people show up for each other; the sense of community and creative spirit demonstrated in the examples above has been inspiring for me in so many ways. But as a member of the Wico community, it is nothing new. *At camp we are creative. At camp we try new things. At camp we have people who support us. At camp we support other people. At camp we plan for one thing and then something happens, and we have to change our plan to something else (rainy day, anyone?). At camp we create community!*

Stay healthy, stay safe and keep laughing. If you want to say hi (or share a positive story) email me at [carly@campwicosuta.com](mailto:carly@campwicosuta.com).

Sending lots of Wico love to you all.

***From the lakes,  
from the hills,  
from the sky, Carly***

### FIRST SESSION EXPLORERS INCLUDE:

**OSKIS: Audrey J** joins the group from University City, MO! Her dad grew up on Newfound Lake, so it's only natural that Audrey would want to jump on the band wagon. Audrey loved her tour of camp in 2019; we know she will love Wico even more as a camper!

**CASCOS: Morgan V** hails from Wellesley, MA! She heard great things about Wico from her big sister, Emerson (or "EV" as we know her). Morgan loves reading, soccer, field hockey and Kung Fu. We are glad you decided to join us, Morgan!

# WICO CAMP SISTER PROGRAM

## REMINDER FOR RETURNING CAMPERS (Eagle and older):

If you were assigned a Little Sister in 2020, we ask you to continue that job for Summer 2021. If, for some reason, you CANNOT honor that commitment moving forward, please email [jess@campwicosuta.com](mailto:jess@campwicosuta.com), so that we can rematch your 2020 Little.

One of our goals this year is to keep everyone as connected as possible! We want to encourage 2020 Bigs and Littles to continue to get to know each other during the coming school year and in advance of Summer 2021. To that end, we have created a new Camp Sister Journal that will help you continue to stay in touch with each other. If you haven't already, please complete the page or pages you received and scan and email them to your Camp Sisters! You will receive more journal pages in the months leading up to camp!

Returning 1st Session campers, if you are an Eagle or older and were not assigned a little sister for 2020 and you are interested in being a Big in 2021, please log into CampMinder and fill out the Big Sister Volunteer Form as soon as possible. Once done, we can add you to the 2021

Big Sister list. Priority is given to those who signed up and were not matched up in 2020. We will do our best to match up as many Bigs as possible!

## Tooth Losing Competition

“And the call goes out all  
across Wico-land...”

As our campers know, we compete in an exciting tooth-losing competition over the summer. For those of you who may not know, each night at flag lowering, I (Justin) make a call to the camp community to see if anyone lost a tooth. It's a very spirited, exciting time at flagpole!! If a tooth was lost, the camper comes up to help lower the flag and is celebrated by the entire camp! We keep track on a daily basis of the number of our lost teeth and then each week over the summer, I call the other camp directors in the competition to see where they stand. Everyone looks forward to the nightly tooth call and, certainly, to the weekly roundup of results. We are hoping for many lost teeth during the summer of 2021!

So, I was thinking, why not keep celebrating campers for losing their teeth? Though we have a few months to wait for our next official tooth call, we still want to celebrate tooth losing! Campers, when you lose a tooth, be sure to email me at [justin@campwicosuta.com](mailto:justin@campwicosuta.com). But, remember, just like at camp, teeth need to fall out the natural way (no vinegar or extra sugar on your teeth to pull them out!).

**...do we have any lost teeth in the crowd??**

## Wico Cares:

A big thank you to everyone in our community who participated in our 1st Annual Turkey Trot to benefit Project Morry! We hope everyone had a great time and look forward to making this event a tradition. We asked participants to consider making a donation to Project Morry and were so glad that many of them did. Thanks, again, to everyone who got involved!

*Project Morry is a year-round youth development organization that provides to each child a multi-year commitment anchored by a superb residential summer camp experience. The children, for whom these experiences would not otherwise be available, benefit from a network of support and gain increased social skills, enhanced self-esteem, positive core values and a greater sense of personal responsibility.*

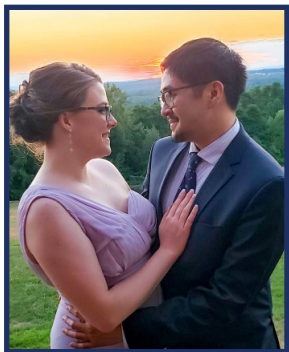

**Francesca G, Punta Mita, MX**

# Where In the World is Wico??

**Francesca G**, went to Punta Mita, Mexico, and is seen here displaying her fish tacos with a side of "Wico Pride"!

*Note: To be pictured in this section, send us a photo of yourself IN WICO GEAR while on a trip or vacation in front of a famous monument. We also post these photos in the Dining Hall!*

## Celebrations...

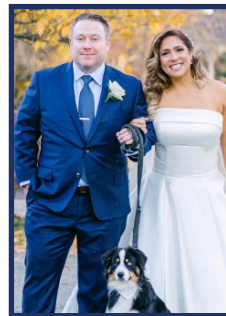

**Audrey Thompson**, an 8-year Wico veteran, said "yes" when now fiancé **Louie Roxas** proposed in December! We could not be happier for this incredible couple! Anyone who knows Audrey knows she is selfless and kind; it seems she has found the same in Louie! Congrats to you both!

Belated congratulations to **Yhosuara "Yhosu" Olvera** (Food Service Coordinator) and **Enrique Bernal** (Assistant Chef) on their recent wedding! Summer 2021 will be #7 for Yhosu and #5 for Enrique! They are loved and appreciated members of the Wico community and we are thrilled for them!

We are thrilled for **Sabrina (Hutchins) Johnson** who just had her third baby! Mom and baby are doing and feeling well!

*Note: We love to hear about all of the celebrations in your life. Please email any special dates, celebrations, births, engagements, etc. to [corey@campwicosuta.com](mailto:corey@campwicosuta.com).*

Congratulations to **Kristin "Q" Quintano** (former Wico Assoc Director) on her recent wedding to **Mike Gilligan**! Covid could not get in the way of their special day as you can see in this terrific photo! We wish them lots of happiness in the days to come!

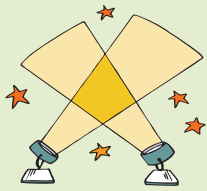

Congrats to former Wico staffer, **Emily Stites**, on the birth of Rosey! Here is a photo of Emily, Rosey and big sister, Sophie in their Wico gear!

We cannot get over this adorable photo of Baby Kate, daughter of former staff member, **Allie Gartseff Turner**! We are so glad you received our "Wico Love" and shared it back with us, Allie!

# WANTED!

## Nurse Candidates for Summer 2021

Each summer, Wico hires a terrific team of experienced, enthusiastic nurses (primarily RNs and LPNs with pertinent experience). Our nurses work the full summer with some availability for one session only. Being a Wico nurse is an incredible opportunity to work as part of a team in a child-centered setting while being a part of our amazing Wico Community!

Wico fully trains our nurses every summer. Included in the job is lodging, food, camp t-shirts and licensure reimbursement when applicable. We love hiring nurses who are also camp parents and will happily talk with you about campership opportunities in that case.

**Email Corey at [corey@campwicosuta.com](mailto:corey@campwicosuta.com) for more information if you or someone you know may be interested.**
