

A Letter from the Directors

Corey & Justin

Dear Wico Campers, Staff, Parents and Alumnae,

Greetings from Camp and Happy Fall! We write to you now feeling grateful, refreshed and rejuvenated! Summer 2021 (Wico's 100th Reboot!) was memorable, fun, crazy, stressful at times, and overall fantastic. It will not soon be forgotten!

Being together allowed us to reconnect with our friends. For some of us, this was our first in-person social experience in over a year. Understandably, it took us time to settle down

and settle in. We had to get back our sea legs and build back our social and physical stamina. After a few days, we saw campers blossom as if they had never left camp. First time campers bravely arrived at Wico—a camp that was new to them—and jumped right in. Counselors who had spent more time in their dorm rooms than outside, put 100% of their effort into the job of helping kids have a great time at camp. Pulling off the Summer of 2021 took effort on everyone's part. We hope that each of you feels proud of yourselves!

As we plan for Summer 2022 (yippee!) we look forward to using the lessons learned in 2021 to create the most fun and incredible Wico summer, yet! We hope to bring back our rich tripping program including more hikes, overnights, and outdoor adventures, intercamp competitions with other camps, and traditional Trip Days. We can't wait to fold in some of our new favorites (like Gunstock Mountain) with everyone's old favorites (Burlington, Hanover, Canobie Lake, etc.)! We can't wait for even more singing and cheering, more all-camp events, and watching the campers spend even more time in all of their favorite activity areas!

We will continue to notify you of the things you can look forward to at camp this summer including special programming and additions/improvements at camp. We will share updates and help create opportunities for you to connect with each other and with us. As always, please reach out with any questions you may have about this coming summer. We are available and are happy to help!

Lots of Wico Love,

Mischa P and **Michaela R** wasted no time reconnecting after camp! They met in NYC and sent us this great photo of their dinner outside. We love this, girls! Thanks for sharing!

Olivia H and her family checked out Shoshone Falls Park in Twin Falls, Idaho after camp. Olivia showed her Wico Spirit in this photo and then shared it with us! Thanks, Olivia!

Georgia H and **Brooke U** loved getting to see each other recently, as well! Brooke and her mom were in New Jersey for a Bat Mitzvah and took the opportunity to meet Georgia and her mom in New York on their way home. These girls have been friends since their first summer of camp. It's hard to believe that they are going to be Totems in 2022!!

Julia and **Luisa B-H** sent the Wico full-time team some of their Wico Love with this awesome photo. Thanks, Girls! We send our Wico Love back to you.

A Big Wico Welcome to... Liz Pruzinsky

STAFFING COORDINATOR

We are excited to expand Wico's year-round team with the addition of Elizabeth "Liz" Pruzinsky! As the Staffing Coordinator,

Liz will work closely with Carly on recruiting, hiring and training Wico's 175 seasonal staff members. During the summer, Liz will work on the Res Life side of camp with our campers and counselors!

Liz brings a wealth of knowledge of both camp and children to Wico! Liz was a camper, counselor and Head Counselor at a girls' camp in Maine. She has a Master's in Elementary and Special Education. She was a special education teacher and, most recently, worked in private practice as a Board Certified Behavior Analyst with children.

When not at Wico, Liz and her husband, CJ, live in Brooklyn, NY with their two amazing little girls, Mia (4.5 years old) and Penelope (9 months old). A little-known fact about Liz is that she used to be a competitive swimmer. Although she no longer competes, water sports are still her favorite and she looks forward to spending lots of time at the pool and waterfront at Wico! Want to reach out to Liz? You may reach her directly at: Liz@campwicosuta.com.

***Thank you for helping us
welcome Liz to Wicosuta!***

Joking Around

WITH JESS

Hey Wico!

Although it's November, I am still feeling the energy of spending the summer with all of you! Summer 2021 was certainly a summer like no other, filled with the magic and joy of reconnecting face to face with friends we hadn't seen in a while, and new friends we had yet to meet! It was so wonderful to hear Wico full of laughter and fun!

Here are some of my favorite summer memories:

- Singing songs under the Old Pine for the first time at the Opening Campfire.
- Making the most of a few rainy days, including archery classes turned cardboard fashion design on the porch of the office!
- Watching the meteor shower on the softball field.
- Watching Wico girls get up on waterskis and cheering them on with friends!
- Cheering for all the Olympic sports at the flagpole, including some new and obscure ones!
- Color runs around camp, getting covered in green, blue, and pink!
- Showing our spirit during new special event days, like Decades Day and College Days. Go Banana Slugs!
- Sending out wishboats onto Newfound Lake at our final beach campfire.

It may feel far away now, but before we know it camp will be around the corner and we will be making Summer 2022 memories! When I need to be transported back to camp, I usually listen to my favorite summer playlist.

A few of my top songs from this summer include:

- 1 Levitating by Dua Lipa
- 2 Juliet by LMNT (a dining hall classic!)
- 3 My Shot from Hamilton
- 4 Church Clap (the Summer 2021 dance craze to be remembered!)

What are your favorite songs from Summer 2021? Send me an email to let me know and I'll add them to my list! jess@campwicosuta.com

Peace, Love, & Wico, Jess

Though it's only fall, I am already counting down the days until we get back to camp. Maybe you are, too! Just for fun, you can keep busy while you wait for us to be back in NH. Can you figure out what word each letter stands for in these brainteasers?

DEEP THOUGHTS with Carly

CARLY

Hey Wico, Hey What?!

Wow! It was very special to be back together again under the Old Pine to celebrate Wico's 100th summer. After counting down the days since the end of Summer 2019, Summer 2021 was worth the wait! Getting to spend a summer with all of you; laughing, trying new activities, making new friends, connecting with old friends, growing, and learning was unforgettable. Thank you to everyone who made it possible.

Some of you might know that after camp we hosted a reunion with some of our alumnae to celebrate our 100th summer. We spent a weekend hanging out with former campers and staff and celebrating Wico! It was fun to see how so many of the traditions have carried on throughout the years.

No reunion would be complete without a campfire (with milk & cookies of course). Sitting around the campfire, we were able to hear from many of the alumnae about how camp gave them confidence and all the ways it impacted their lives. While they laughed, cried, sang, and shared stories from the past it was amazing to see different generations of Wico campers (and staff) connect.

After spending the summer with all of you, the reunion felt like a perfect way to end. Hopefully all of you walked away from the summer feeling like camp changed you. Maybe you made a new friend, tried a new activity, learned a new song, or learned a new skill. No matter how big or small the change was, I hope it continues to impact you throughout the year.

Wishing you a great rest of 2021 and looking forward to 2022.

**From the lakes, from the hills,
from the sky, Carly**

P.S. Prissy and I are taking suggestions for our Flagpole Call and Response Cheer for next summer. If you have any ideas (or just want to say hi) feel free to send them to carly@campwicosuta.com.

WE WELCOME YOU TO WICO CAMP

WE'RE EXCITED TO WELCOME THE FOLLOWING NEW CAMPERS FOR SUMMER 2022...

Each dollar donated goes directly to helping the Project Morry students have an incredible summer experience that is anchored by monthly meetings during the school year. This is a great example of how each of us, no matter our age, is able to make a difference in the world.

If you haven't made a donation and would like to do so, you may donate online at: <http://www.projectmorry.org>. Please note "Camp Wicosuta Swim A Thon" in the memo.

Alumnae & Staff Updates

Hi Carly!

I don't have Corey's, Justin's and Jess' emails so I thought maybe I could send all my gratitude for the four of you through here. I received the thank you card in the mail, so I wanted to thank you for it. I also wanted to share two fun projects that Wico inspired! The first is my internship project that is a compilation of camp songs that have dances, hand motions or ASL that show the importance of movement when teaching children music. I sadly did not know all of the words to the Bubblegum Song, so I could not add it to the mix. The second is, thanks to a score I found in Priscilla's Playhouse, my senior project and is about Hindemith's techniques on teaching children music theory and music performance, and the general cultural and political climate in Germany at the time that lead to this kind of music. The project will be performed as a lecture recital in the spring with a group of singers and maybe a group of instrumentalists playing some typical children's instruments. That's all I have for now.

Lots of Wico love

Gaby Hernandez-Gonzalez
(Wico Staff 2021)

Thanks, Gaby, for your lovely note! We are so honored that your experience working at Wico inspired these two amazing projects and look forward to hearing more about them!

Hi Corey,

I recently visited and spent a few wonderful hours with Prissy at Wico. I have so much to say, but I have a feeling it's more of what you hear every day from women just like me - with lots of old, fond Wico memories. I can't begin to tell you how much I loved being there and how many memories - every one of them better than the one before - it brought back. I facetedimed both my sisters and showed them various things. I even sang "The Peppiest Camp" with Prissy to my sister Sara. I also loved hearing from Prissy about all the traditions that are still alive and well at Wico despite all the time that has passed. Those are some lucky Wico girls!

When I got back I was at a bookstore and saw the book *Camp Girls* -(kind of bizarre that it just jumped off the shelf at me) written by Iris Krasnow (who has written about 5 other books) who grew up in the Chicago suburbs and went to Camp Agawak. She is now in her 60s and spends her summer on staff there. Have you seen/read it? It's an entire book about how camp and her camp friends shaped her. Not only does it describe so much of what I already know and feel - but it also helped me realize a few things I hadn't even thought of. And - while only a few other camps are mentioned - Wicosuta makes an appearance at the very end of the book with a shout out to Anna Rothman.

Having two daughters - one graduating from college and one graduating from high school has made me very reflective about my own experiences growing up. They are both athletes and had team sports and camp as female only experiences. I just had camp. It's not lost on me how much of an influence it had on making me the woman I grew up to be and even how it influenced my career. Standing in the social hall (I know - not called that anymore, what a nice tribute to Prissy!) and swinging on those swings took me back to those days and made me so grateful for the experience.

So, thank you so very much for making it possible. I have no idea how, but if I can ever be helpful to you or Wico in any way, please let me know!

Take care - and thanks again.

Rachel Greenman Sternberg (Totem 1983)

Rachel was 2 years old her first summer of camp. Her dad, Bob, ran the drama program and her mom, Carol, worked in the office.

We loved hearing from you, Rachel, and are so glad that you and Prissy were able to reconnect and spend time together at camp during such a beautiful time of year!

Greetings from Newfound Lake...

Hello from 03241!! All is well up at Wico! The weather has been warmer than usual, so our maintenance team has been able to get a jump on some of our Summer 2022 Projects.

Here are just a couple of the improvements you can look forward to at Wico this summer:

- Completion of the cooking studio: We will pine panel the inside of the building, install all the new and permanent appliances!
- New bathrooms in Bunks 1 and 3

STAY TUNED FOR MORE... including some surprise additions for Summer 2022!

WICO'S CENTENNIAL CELEBRATION

After camp, on August 27-29, 100 years of Wico were celebrated with alumnae. We had an amazing time with former campers and staff celebrating our history and traditions!
