

A Letter from the Directors

Dear Wico Campers, Staff, Parents and Alumnae,

Greetings from Camp and Happy Fall! We write to you now feeling grateful, refreshed and rejuvenated! Summer 2022 was incredible and we feel fortunate to have spent it with many of you!

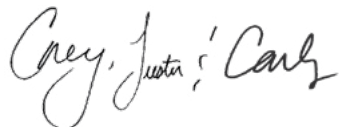

We were excited to be able to get back to a more typical tripping schedule, to bring back lots of our favorite evening activities and to introduce some new ones—BananaRama, The Masked Singer and special events like the reboot of College and Movie Days! One of our goals for 2022 was to improve evening activities and special events—we were able to accomplish that and more and appreciate the efforts of our program team. We would not have been able to do it without them!

As we plan for Summer 2023 (Wico's 103rd!) we look forward to using the lessons learned in 2022 to create an even better experience than last summer! We plan to redouble our efforts and focus on skill-development, so that campers will learn something new in every activity every day.

We will continue to expand both our tripping program (with more hikes and overnights) and our Trip Day options. There will be more song-teaching and singing, more cheering, listening to music in the dining hall, and all of the spirit that makes Wico... Wico!

In the months to come, we will share updates, so that you know what to expect at camp this summer. We have a few building updates in the works already (see page 10) and will share more with you as these projects continue. You can expect a few surprises at camp this summer, so stay tuned! As always, please reach out with any questions you may have about this coming summer. We are available and happy to help!

Lots of Wico Love,

Rima P went to visit **Ella S** in Brooklyn, NY a few weeks after camp ended. The girls celebrated with a Wico cake (made by Ella) and sent us a photo of their reunion. Thanks, girls! The cake looks delicious! Speaking of, while in New York, Rima also met with **Lily D**! Thanks for sharing, girls!

Sadie B, Izzy G and **Zoe G** went to Europe after camp. While at Heathrow Airport in London, they bumped into Group Leader, **Emily Way**!

Mia J, Rapha J and their parents visited Oslo, Norway after camp! They sent us this photo showing their Wico Pride. Thanks, girls!!

Mia O and **Sadie O** departed their first summer of camp and went directly to a swim meet. The girls did a great job. Dear Liz...

Hi Wico!

Time is flying! I cannot believe that I have already been part of the Wico Family for a year and my first summer is behind us. I am reminiscing about campfire, time spent in the pool, and hanging with lower camp at Rupert's Garden during selective! I loved meeting all the wonderful campers and working with the amazing and talented 2022 staff!

We are back for another column of DEAR LIZ! Remember, if you have any questions about camp or anything else is on your mind, reach out!

Dear Liz,

I cannot believe this was really your first summer at Wico. What did being new at camp teach you?

Sincerely, Interested Ivy

Dear Interested Ivy,

This was my 1st summer at Wico, along with many campers and staff. I had never had the feeling of being new before, so this experience really taught me a lot. I learned to be more comfortable asking questions. Coming to a new place is an adjustment. Not knowing everyone and everything going on is a new feeling for most of us! In these situations, we have to remember to ask for help, and to know that we are definitely not the only one with the same question. I also learned that even if you are new, you are not alone. Wico is full of campers and staff who are there to support you. Wico truly welcomes everyone with opened arms and I cannot wait to welcome more new members to the Wico Family in 2023!

Dear Liz,

You helped hire the staff for Summer 2022. What will you look for in staff for Summer 2023?

Best, Recruitment Rachel

Dear Recruitment Rachel,

Our 2022 staff were incredible. From the landsports fields to Newfound lake, we felt and saw the Wico spirit. We have just begun the staffing process for 2023 and are looking forward to welcoming back many of our 2022 staff for Summer 2023 and hiring new staff to join us! We will continue to look for staff who are passionate about working with children, have experience in an activity area and would be excited to be a candy horse (they will learn what that means)! We look forward to having another phenomenal staff at camp this summer!

BOOK RECOMMENDATION:

I enjoy spending time at the library—it's one of my favorite places in camp! We have so many great book choices for all different types of readers. One of my favorite summer reads was Pizza My Heart. Not only does the main character, Maya, live in Brooklyn like I do, she leaves home for a new adventure (I can relate!). Please continue to send me the names of books that you are currently reading and enjoying, so that we can continue to grow the Wicosuta library!

Thanks for the questions, Wico! Remember to send future submissions to liz@campwicosuta.com. I look forward to keeping in touch this off season!

Love, Liz

Joking Around

WITH JESS

Hey Wico Girls!

It's hard to believe that we are approaching winter weather in the Northeast, and camp feels like both yesterday and a million years ago. As many of us adjust to colder weather, we rely on wonderful summer memories to keep us warm and fuzzy all year long!

A few of my favorites from the summer include:

- 1 Enjoying some Kona Ice on Arrival Days! My favorite combo was cherry and blue raspberry, how about you?
- 2 Summer thunderstorms and brief power outages that were barely noticed as we went about our fun outdoor programming!
- 3 Dressing up as an astronaut for Monster Mash! I love seeing all the creative and fun costumes our campers come up with!
- 4 Seeing the New Hampshire Fishercats win a game!
- 5 Spending time with old friends, making plenty of new ones, and creating memories that will last a lifetime!

As we move into November and start thinking about Thanksgiving, I like to take moments and think of all the things I am grateful for. We practice gratitude in a variety of ways at camp, including sharing "happies" at the end of each day with our bunkmates. Each night, our campers gather in circle time and share a happy moment of the day. As a staff member, I start each morning meeting by sharing a gratitude of my own which I feel sets me up for a successful day!

In this spirit, I thought I would share a few of my own "gratitudes" from over the summer:

- I am grateful for the opportunity to play and laugh with all of you!
- I am grateful watching our campers shine in talent shows, dance shows, and our theater productions!
- I am grateful for French Bread pizza, campfire cookies, and snack shack with the Totems!
- I am grateful for dining hall dance parties (and flash mobs) and camp songs under the Old Pine!

When you think of camp, what might you be grateful for? Feel free to send me an email and share at jess@campwicosuta.com, or share with a friend!

Peace, Love, & Wico, Jess

CAMP SISTER CORNER

Calling All Wico Big and Little Sisters (aka New and Returning Campers)! We are gearing up to start making Big/Little matches in January 2023.

Are you an Eagle or older, a returning Wico camper and interested in becoming a Wico Big Sister? We hope so! Being a Big Sister is a great way to help welcome a first-time Wico girl to camp. Send an email to jess@campwicosuta.com and let her know. She is looking for volunteers and would love to hear from you! Please note: If you have already been a big sister, you can volunteer again! All returning Agawans will be matched automatically. It's one of the ways these older campers take on leadership at camp.

Wico Cares

Each summer, Zuni campers lead our Project Morry Day of Giving. We want to thank our camp families (and friends) for their support in this endeavor. This summer, Project Morry received 176 individual donations for a total of close to \$20,000 raised! We are overwhelmed by everyone's generosity and the effort of all of our campers and counselors. Each dollar donated goes directly to helping Project Morry students have an incredible summer experience that is anchored by monthly meetings during the school year. This collective community service project is a great example of how each of us, no matter our age, is able to make a difference in the world.

If you haven't made a donation and would like to do so, you may donate online at: <http://www.projectmorry.org>. Please note "Camp Wicosuta" in the memo.

Project Morry is a year-round youth development organization that provides to each child a multi-year commitment anchored by a superb residential summer camp experience. The children, for whom these experiences would not otherwise be available, benefit from a network of support and gain increased social skills, enhanced self-esteem, positive core values and a greater sense of personal responsibility.

Kings n' Queens n' Bishops, too, Wanna wish the best to you!!

Alumnae & Staff Updates

We received this thoughtful note from a T'22 camper (now Wico Alum)! Thanks, **Emily!** We are so glad that you feel this way.

I never got the chance to at camp, but I wanted to personally say thank you for everything that you all have done for me for the past 5 summers. My summers at Wico were always the best part of the year and when I'm the happiest. I've been able to meet my closest friends in the entire world at camp and make the best memories with them here. I will never forget my time spent at Wico and if there is ever any way to keep connected with my Wico family please let me know! I hope you all have a great 2nd session!

Best wishes,

Emily
Totem '22

Katy C (or "Katy with a Y") loved her first summer working at Wico! She traveled with some other counselors after camp and took this photo of herself (showing her Wico Spirit, of course) at the University of New Hampshire!

We received this photo of **Audrey H, Olivia L, Natalie B** and **Livia S** at their first Wico reunion! These girls just finished their Totem summer and we cannot believe it! Girls, we miss you already! We remember this time like it was yesterday!

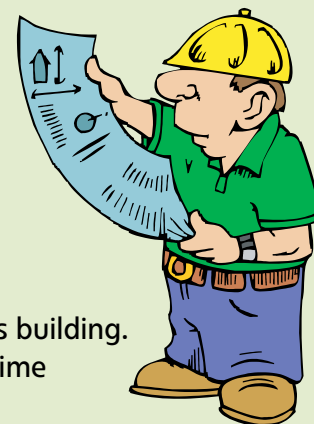

The Pescovitz Girls are doing well! **Abby Pescovitz** is a senior at Indiana University and hopes to land in Chicago next year. **Jamie Pescovitz** who lives and works in Chicago just completed the Chicago Marathon (see Celebrations)! Her cheering section was populated with Wico alums—the **Weils, Macknins** and **Limmers**, of course!

Greetings from Newfound Lake...

Hello from 03241!! All is well up at Wico! The weather has been warmer than usual, so our maintenance team has been able to get a jump on some of our Summer 2023 Projects.

Here are projects that we are working on for this coming summer:

- **Gymnastics:**
 - We are building a covered extension/pavilion onto the already existing gymnastics building. We look forward to using this multi-purpose space for gatherings, as well as day-time programming.
 - New equipment: we are purchasing new equipment for this very popular program area including new balance beams and a new vault.
- Our beloved bridge (over the stream between the office and dining hall) is getting a much-needed redo! We are building a beautiful new bridge that will be wider to allow for more foot traffic throughout the day.
- Bunk Improvements: Bunk 5 will get new lighting, an updated bathroom and new windows! Bunk 10 will get new windows all around!

STAY TUNED FOR MORE DEVELOPMENTS AT CAMP INCLUDING SOME SURPRISE ADDITIONS FOR 2023!

Autumn at WICO!

Wico's Donut Stop Believin' Tour for 2022 Wico Campers and Families!

Coming to a location near you...

Save the date for this informal pop-up event, also known as Wico's Donut Stop Believin' Tour! Stop by, pick up your 2022 yearbook and some fun Wico swag; stay to catch up with us, enjoy a cup of cocoa and, of course, a donut! We will send a formal invite via email soon!
